## Frequently Asked Questions

### How do I register my group?

To register your group for a confirmation retreat, please follow the links on our retreats page to the online registration form. There, you will be asked to include church, student, and adult information. Spaces are filled on a “first come, first served” basis. After our office has received the online registration and deposit, Gretna Glen will send you an information packet. Male and female adult volunteers are required for the entire event at a ratio of 1 adult per 8 students. Counselors are responsible for the supervision of the Confirmands.

### Where will we stay?

Gretna Glen has eight heated cabins, each featuring beds for fourteen guests. Confirmands and Counselors will be sleeping in bunk beds and will need to bring sleeping bags, pillows, towels, toiletries, etc. The shower house and bathrooms are centrally located to the cabins and are also heated.

### Who attends these retreats?

This is for Jr. & Sr. High youth who are currently involved with the confirmation program in their local church. This retreat is designed for entire classes to attend together with their pastor and/or instructors. Counselors can be pastors, lay-persons, mentors, and/or parents. If you volunteer to be a counselor, you will receive an informational guide to prepare you for the weekend.

# Are You Ready to Embrace Your Faith?

Confirmation Camp at Gretna Glen has a wonderful history, and with great success, has been a standard for thousands of confirmands through the years. The weekend is focused on the five vows of affirmation—*prayer, witness, gifts, service, & presence*. Each vow comes to life as the confirmands participate in hands on activities, discussions, and reflections that help draw parallels between confirmation and a life of faith. Confirmands will also have the opportunity to participate in a spiritual gifts survey and speak with adults about how their gifts fit into the ministry of making disciples for the transformation of the world. This common program is built to supplement any confirmation curriculum no matter what stage of the confirmation process. We will spend the weekend focusing on our theme passage:

**1 Corinthians 12:12**—The body is one and has many members, but all the members, many though they are, are one body; and so it is with Christ.
